EUTAW METHODIST CHURCH

On cornerstone: Methodist Episcopal Church, South, erected 1911, Charles Wesley Northcutt, Pastor; Edward C. Moore, P. E.; Official Board and Building Committee, J. D. Steele, Jr., A. N. Grubbs, A. N. Shelton, William M. Palmer, B. D. Palmer, Dr. M. L. Malloy, S. F. Stuckey, E. C. Meredith, H. F. Grubbs, J. C. Lucius, G. L. Clanton, H. E. Morgan; Architect, H. D. Breeding; and Contractors, Straitton Brothers and Ward. The lot on which church now stands was deeded March 6, 1841 by Charles and Rose Gates to Trustees William Daniel, Isaac N. Snedecor, William Scarborough, Augustus Sadler and Benjamin Williams, but a committee composed of William Murphy, James Snedecor and William Daniel, had been appointed May 30, 1840 to superintend the building of a Church at Eutaw; and the first quarterly Conference ever held at Eutaw was August 15, 1840, Richard H. Herbert, Pastor; Elisha Calloway, P. E., Francis D. Poydras, Robert J. Gill, Benjamin Williams, Basil Crawford, A. Harris and Ferdinand Sealy, members. As early as 1836 Mesopotamia, Eutaw's predecessor, had grown to such size that on May 20, 1836 Trustees Henry Cleveland, J. N. Thompson, W. Daniel, William Scarborough and Young Kirksey, were appointed to build a church at or near Mesopotamia, but this was never done. Methodism entered Greene County, when Rev. James Monett preached the first sermon ever heard in the County in 1818 at Troy (now Greensboro) then in Greene County. DeGraffenreids, Ebenezer at Forkland, Pine Grove, Springfield, Clinton, Sardis, Salem (Sadler's), Trinity at Tishabee, Watson's Chapel, Pleasant Grove (Flatwoods), Thompson's, Ray's, Everett's, Moundville and Livingston Churches have been on with Eutaw through the years. Other names on old church roll not mentioned above are Abrams, Cole, Colson, Crocker, Davenport, DeMoville, Friday, Hales, Hall, Hardy, Hildreth, Hood, Howard, Howell, Lanford, Lunsford, McGee, McGraw, McMillan, McQueen, Mobley, Montgomery, Myers, Neely, Poole, Prince, Reese, Rice, Schoppert, Smith, Sterling, Stone, Summerville, Taylor, Tibbs, Wilson and Yarbrough.

REPORTS

REPORT OF COMMITTEE ON DISTRICT CONFERENCE RECORDS.

We, your Committee on District Conference Records, beg leave to submit the following report:

We are glad to report that the records we had to examine were neatly, and except for a few minor errors, which we noted, were correctly kept.

These records are a part of the History of the Church, so it is very important that they be accurately kept.

The records of the following districts were not in the hands of the committee: Florence, Haleyville, Jasper and Roanoke. We recommend that each Presiding Elder see to it that the record for his district be brought to the Annual Conference for inspection.

The Gadsden District Conference Record is most excellently kept.

Respectfully,

M. E. WILSON, Chairman.

S. L. PRICKETT, Secretary.

BOARD OF MISSIONS.**Report No. 2.**

Your Board of Missions respectfully submit the following:

Reports from our General Board show that our Foreign Missionary work continues to make gratifying progress. The results in our several foreign fields are, under all circumstances, all that could be reasonably hoped for, and the funds are steadily increasing.

The present unprecedented opportunity in all our fields, together with the distressing fact that much of the missionary work emanating from Europe is of necessity paralyzed, throws upon us a tremendous responsibility that we can only meet by prayerful, consecrated and persistent effort.

The development in our Conference field continues at a rate that gladdens our hearts. We note with pleasure that our Presiding Elders are looking carefully into the needy territory within our boundaries, and that our Methodism is being well established in many of these sections. We confidently believe that our men are preaching in no less than 125 communities that had no Methodist preaching six years ago.

Your board has ordered the report of the Auditing Committee presented herewith, which is as follows:

We, your Auditing Committee, having examined the accounts and vouchers of R. M. Archibald on account of Home and Foreign Specials, find them correct and carefully kept and show the receipts and expenditures as follows:

J. A. J. BROCK,
A. J. NOTESTINE,
Auditing Committee.

In addition to the figures given above, your Secretary has been able to have boxes of supplies, with some cash, sent to several of our men in the neediest places, to the amount of \$406.50.

We also note that of the \$3,509.90 sent to the General Treasurer during the year for foreign mission specials, about \$1,900.00 grew out of work initiated by your Secretary.

Our four evangelists have wrought well and God has honored their labors. They report in the aggregate 89 revival meetings held, 2,000 services, 4,000 conversions and 2,200 added to our Church.

For a Conference Policy we know of nothing so good as the lucid and comprehensive directions laid down in our Discipline, and we recommend the closest possible adherence thereto. We call attention to paragraph 421, which says that the "Presiding Elder shall see that efficient and well defined plans be adopted for the missionary education of the Church and for raising missionary funds, and to conduct with his preachers a missionary institute early in the year;" and to paragraph 422, which says, "It shall be the duty of the preachers in charge to organize a Missionary Committee * * * and to see that a canvass is made early in the Conference year for a missionary contribution." We also call attention to paragraphs 264, 270 and 273, which make it the duty of the Presiding Elder and the preachers in charge to have "every Sunday School regarded as a missionary society" and to see that for every Sunday School there is appointed a Missionary Committee to have charge of all the missionary activities of the school" and that "as far as possible the missionary offering in the Sunday

School go as a free will offering and not be used to meet the missionary assessments upon the congregation."

In view of the unmistakable law of the Church as cited above, and in compliance therewith, we recommend that at the mid-year meeting of the board, to be held in the near future, definite district campaigns be laid so as to co-operate with the Presiding Elders in their district campaigns as to make possible the following much-to-be-desired results, viz:

A strong Missionary Committee in every Church, a thorough every-member canvass in every congregation for all the connectional assessments, early collections, systematic offerings, the generous distribution of literature, and the harnessing of every Sunday School for missions with a worthy, definite objective of its own (wherever practicable) apart from the regular assessments.

In view of the pressing demands upon both our General and Conference Boards, we recommend that collections be taken as early in the Conference year as may be consistent and that all monies, whether for specials or on assessments, be promptly forwarded to the Treasurer in time to reach him before the last of each month.

We also recommend that Friday night of the Conference be set apart for the missionary anniversary and that Friday afternoon be given to the Committee on Lay Activities. The General Board has assessed our Conference for Foreign Missions \$21,700.00 and for Home Missions \$6,944.00. We recommend that the assessment for Conference Missions be fixed at \$11,400.00.

REPORT OF THE AMERICAN BIBLE SOCIETY BOARD.

The American Bible Society, organized in 1816, has been chosen by the Protestant Churches of the United States as the agency through which to do their work in the distribution of the Bible in all the countries of the world. It has grown from a small beginning to the mightiest missionary force on the continent. It employs an army of 1,200 Bible missionaries scattered in every part of the earth. By printing the Holy Scriptures in 112 tongues it saves to all denominations large sums of money. All doors, everywhere, are now open to the circulation of the word of God. The Russian government, hitherto intolerant of missionaries, gives the Bible course among the people. It is admitted free of duty and often transmitted free of cost.

The Turkish Empire, formerly ruled by a sovereign who hindered Bible distribution, is now open to Bible colporteurs. The American Bible Society is finding a welcome in all parts of South America. China, with her teeming millions, is open from one end to the other to Bible agents. Never before were such opportunities presented for the distribution of the word of God.

We recommend most heartily this great missionary force to all our people and bespeak for it liberal treatment at their hands. We find that the donation this year as reported to us by the Conference Treasurer, is \$351.00.

CHATAUQUA COMMITTEE.

Brethren—We, your Chatauqua Committee appointed at the last session of the North Alabama Conference to locate grounds and secure propositions for the consideration of this session of our Conference, beg to advise that we have several propositions under consideration, but your committee has not had opportunity to personally inspect these grounds under consideration and in view of the importance and far-reaching effect of this movement, your committee most respectfully request it be granted further time.

REPORT OF AGENT OF SUPERANNUATE HOMES.

To the Bishop and Members of the North Alabama Conference:

Dear Brethren:—

We are glad to report that progress has been made in our Superannuate Home movement during the year. We have built one Home at Powderly, in the Bessemer district. The Home will be known as the Jesmik Superannuate Home, in honor of the children of Brother L. G. Pettyjohn, who donated the lot, and contributed one hundred dollars for the erection of the building.

Brother Geo. B. Tarrant of Birmingham informs your agent that he hopes to get his Home ready within ninety days. It will be built at Tarrant City, a new suburb of Birmingham, and will be in honor of Brother Tarrant's mother, who has gone to her reward. The Home will be occupied by the daughters of Rev. J. W. Newmon. It is worthy of note that Brother Tarrant has furnished a home free of rent for the past year and a half, for one of our conference claimants.

Repairs have been made on the Chas. Schuessler Home at LaFayette, the Roanoke Home, the Albertville Home, the J. D. Ellis Memorial Home, at Avondale, the Columbiana Home, the Bessemer Home and the Dr. S. C. Tatum Home at Center.

The claimants as a rule are taking good care of the property, and do what they can to keep the Homes in good repair. Brother C. C. O'Neal, who occupies our Roanoke Home, by the aid of the good people of Roanoke, and the pastor, Dr. E. M. Glenn, has built some additional rooms to the house, and otherwise beautified the premises.

The W. O. Hullett and Wife Home at Altoona, in the Albertville district, has been sold to the donor by the Executive Committee, and the proceeds will be invested in another home.

By arrangement of the Executive Committee, half of the lot at Columbiana was sold for a parsonage at that place.

Mrs. Letsinger (deceased) has devised by will all her property, real, personal and mixed, for Superannuate Homes. The will has been probated at Florence, Ala. We have not been able to ascertain the exact amount of the bequest.

The following is a statement from Colonel Agee, executor of the will of the late Mrs. Virginia Higgins:

"In response to your inquiry I beg to say, the mortgage indebtedness against the Higgins' farm, a mile east of Oxford, is \$1900.00. Out of the rents, income and profits of the place, I keep the interest paid up annually. The estate is not otherwise indebted. The taxes are kept paid out of the rents, and so far as I can see, there will be no other charges against the property when the life estate shall fall in, except this mortgage, and such taxes and liens as may be then current. Under the terms of the original will you were appointed executor, and by subsequent codicil Mrs. Higgins appointed me executor of the estate. My compensation for care and attention, for services as executor, are taken annually out of the rents from the estate, and I know of no charge that I could have against the estate on the falling in of the life estate, unless it was that it should become necessary for me to make a final settlement of my administration, in which event there would be the court costs of that final settlement, and an attorney's fee on the final settlement. All fees for services rendered, and that have been rendered, are paid annually and everything has been paid up to this time, and will continue to be paid annually out of the rents. Under the terms of Mrs. Higgins' will I am prohibited from making any payments to reduce the mortgage indebtedness, and under those circumstances the mortgage indebtedness will remain at \$1900.00. Cordially yours, A. P. AGEË."

Six Homes have been pledged during the year.

Mrs. D. S. McDonald died soon after our last conference, and the Home at Bessemer was turned over by the Executive Committee to Rev. J. J. Crow.

The Executive Committee also turned over the Chas. Schuessler and Wife Home to Mrs. E. H. Price, widow of Rev. E. H. Price, and the Jesmik Home to Rev. A. J. Chappell, a superannuated preacher.

Several lots have been pledged during the year.

Our cash receipts aggregate	\$ 3,330.00
The estimated value of our thirty Homes is	68,000.00
The approximate value of Homes pledged to date is.....	38,000.00
The subscriptions will approximate	2,400.00

Making a total approximate valuation of Homes, pledges and subscriptions	\$112,000.00
---	--------------

The property is kept insured and premiums paid.

Your agent is greatly indebted to your most efficient Executive Committee, composed of Dr. L. C. Branscomb, J. D. Moore, Dr. F. I. Tarrant, Dr. J. D. Simpson, Hon. E. J. Garrison and Dr. H. C. Howard; and to your worthy Board of trustees, composed of all the Presiding Elders and one layman from each district.

J. W. NORTON, Agent.

REPORT OF BOARD OF CHURCH EXTENSION.

Your Conference Board of Church Extension is growing more useful and continues to be the help and right arm of our missionary operations. We are still far from the place we ought to occupy—37th in the list of conferences in the percentage of assessment paid. For the year 1914 we paid 63 per cent. of our assessment. We recommend that where only a portion of the conference claims is raised by a charge that the pastor divide the amount paid proportionately among the several claims assessed by the conference, except where specifically directed by the contributor.

We more than ever need full collections this year. The applications amounted to \$10,445.00, with only \$2,400.00 to appropriate.

The usefulness of this Board to the Conference in its work of progress and development depends entirely on our preachers.

Our loan fund is growing in favor. Having been inaugurated during the last quadrennium it now amounts to \$3,400.00, and we note each year more applications for loans instead of donations.

We need very much a City and District Board of Church Extension for the Birmingham district, which can now be formed.

We urge our preachers to continue to urge the increase of the percentage of assessment collected; to use freely the literature of the General Board; to lose no opportunity to interest our people in the loan fund.

REPORT ON SABBATH OBSERVANCE.

We regard the observance of the Sabbath as vital to the maintenance of Christian civilization. The law of the Sabbath inheres in moral law, and it cannot be violated without vitiating moral being. The family and civic life of the nation depend upon keeping inviolate the commandments of God. God can not be honored nor exalted unless he is obeyed. Obedience is better than sacrifice. The observance of the Sabbath is, therefore, necessary to the maintenance of moral character and the honoring of God.

We are glad to note the interest which has been awakened on Sabbath observance, and we rejoice in the progress made, but we long to see a more general interest aroused. We are glad that the postoffices in our larger cities have been closed on Sundays. May God speed the day when Sunday mails will be stopped, when freight trains will not run; when Sunday picnics, ball games, picture shows, railroad excursions, and all amusements which desecrate the Sabbath will not be tolerated; when all furnaces and industrial plants will be silenced on the Sabbath, and it shall be indeed a day of rest and worship, and not a day of amusement and labor.

We commend the Sundry League of America and pledge to it our hearty co-operation.

We recommend that all our ministers preach frequently on Sabbath observance, and that they urge this duty in the homes, in the Sunday schools, and whenever occasion will admit.

S. N. BURNS, Chairman.

J. T. SELF, Secretary.

REPORT OF SUNDAY SCHOOL BOARD.

We congratulate our Church in the work of the last General Conference in providing a Sunday School Department worthy of our great Church. Under our new law, our General Sunday School Board is working earnestly to bring this department of our Church up to its highest efficiency. The field has been divided into divisions and Divisional Secretaries will be employed and a forward movement inaugurated all along the line.

As best we can glean from the reports of our preachers, the interest and improvement in our Sunday Schools goes steadily on. So much attention has been given to the improvement of the local school that we have not grown numerically as we should have done. Our attention has been directed to such matters as grading, teacher-training, organized classes, lesson courses, literature, housing and equipment, etc., to the exclusion in large part, we fear, of systematic ingathering. We have been so intent upon making our schools efficient that we have neglected the great masses outside who are not enlisted with us.

The Sunday School is the Church engaged in its teaching service. It is from the Sunday School and those who are trained in it, more than from all other sources, that we are to get the three essentials for the evangelization of the world, viz., Information—Men—Money. Consequently, the Sunday School should have a higher rating and receive much more generous support.

We wish to recommend most earnestly that more attention be given to the planting of Mission Sunday Schools, especially in our larger towns and cities. Our cities are our menace. Here, the people are congregating in large numbers every year, and many of them are of foreign birth, and either unacquainted with our Christian institutions or out of sympathy with them. Mission Sunday Schools are not difficult to organize and they are the seed out of which churches grow. It would be difficult to find a strong city Church or Sunday School that could not plant and maintain at least one Mission Sunday School if it so desired, and it would be stronger for doing it.

We commend earnestly to all our Sunday Schools faithfulness and diligence in such use of the temperance lessons as shall educate every member to total abstinence, the destruction of the liquor traffic, the extinction of the cigarette habit, and the surrender of every self-indulgence which impairs or destroys the power to render service to God and to man.

We would remind ourselves and our fellow workers that the supreme end of our Sunday School work is the salvation of souls. Unless this be secured, we toil in vain. Let us, therefore, plan and work and pray for this result.

We urge our pastors and superintendents to organize, wherever practical, their Adult Classes into Wesley Bible Classes, so that all our Adult Bible Classes may be brought into closer relationship with all Southern Methodist Bible Classes.

Let all our young people's classes of "Teen Age" be organized, also, as organization places emphasis on Christian activity.

Too much emphasis cannot be laid on our Teacher Training work. We can only improve our work as our teachers are trained and skilled in the art.

We are glad to report that we have at last completed payment of the \$50,000.00 fund for the endowment of a chair of religious pedagogy

and Sunday School. The chair has already been established in our Theological School at Atlanta, Ga., and the interest will be paid to Bishop Candler. Final disposition of the fund will be made at the next annual meeting of the General Sunday School Board.

Our Sunday School literature deserves our highest commendation. Dr. Chappell, our efficient and wide-awake Sunday School editor, and his able corps of assistants, have brought our literature up to a high standard.

We should be ashamed of our small Children's Day offerings—we stand almost at the foot of all conferences. Under the new law, we can use as much as 75 per cent. of this fund in our own work if we have a field worker. We should at once see that the day is observed and a good collection taken.

We recommend that the Sunday Schools of the North Alabama Conference co-operate with the trustees of Athens College in raising \$25,000.00 for the endowment of a chair of Religious Education in Athens College; this chair to be filled by a teacher of adequate training, of deep personal consecration, and of ripe scholarship, who shall give liberal courses in Bible, Sunday School methods, Epworth League methods, Church history and missions.

We recommend that Rev. C. Wolford and J. B. Wadsworth be appointed Conference Sunday School Field Secretaries.

(Signed)

J. B. WADSWORTH, Chairman.

J. M. McCLESKY, Sect'y-Treas.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals submit the following report:

Publishing House.

Statements in our hands give the assets of the Publishing House at Nashville, with branch houses, as being \$1,374,959.00; sales for the year \$996,586.00; applied to superannuates \$15,000.00; an increase of \$5,000.00. These statements, compared with those of former years, indicate such sustained volume of increase in business as to be gratifying. The House, having discontinued Conference Colporteurs, and instead thereof proposing to have on hand at each Conference session an exhibit of its books and publications, we commend the plan to the cordial co-operation of our preachers and people. Believing that the presence in the homes of our people of the publications of the House will materially tend to the settling of our people in Methodist doctrine and usages, we recommend that each pastor keep on hand catalogues of the stock for the House.

Sunday School and Epworth League Literature.

There is an increase of eighty to ninety thousand in the circulation of our various Sunday School periodicals. It is proposed by the Sunday School Editor to bring out early next year a new sixteen page magazine, "The Workers' Council," devoted to every phase of Sunday School work. To all officers and teachers, especially, this magazine is commended. In order to stimulate interest in League work and to assist ultimately in the better training of our young people in the work of grace and charity, we recommend that pastors exert themselves to put the Epworth Era into the homes of all our people.

Missionary Voice.

The Missionary Voice we deem absolutely indispensable to every one who would keep abreast of mission thought, need and activity, and should be in the hands particularly of all the pastors and leaders.

The Review.

The Church is to be congratulated in the excellent and able review which Doctor Gross Alexander is making. It commends itself to those who have a mind for such choice literature.

General Organ.

Doctor R. N. Ivey, the Editor of the Christian Advocate at Nashville, and our own Doctor J. S. Chadwick, the assistant Editor, are giving to the Church a general organ that fills well its appointed task. The efforts of these Editors we appreciate; we indorse their course, and pray for liberal subscription lists. We are informed that during the past quadrennium no part of the ten thousand dollars allowed by the General Conference as a contingent fund for the Advocate has been touched, excepting that in one year hardly a third of it was used.

Alabama Christian Advocate.

Our own paper is a recognized part of Alabama Methodist conservation and propaganda. The editorial management has commended itself to our people after such fashion as to add greatly to the subscription list.

Recommendations.

We make the following recommendations: The appointment of J. S. Chadwick to be assistant Editor of the Christian Advocate, and H. Whitehead to be assistant Editor and Business Manager of the Alabama Christian Advocate. The election of the following to be the Publishing Committee of the Alabama Christian Advocate for the ensuing quadrennium: S. T. Slaton, F. W. Brandon, J. S. Robertson, G. B. Tarrant and F. B. Yeilding.

Respectfully submitted,

G. H. MEANS, Chairman.

F. L. ALDRIDGE, Secretary.

BOARD OF EDUCATION.

Your Board has carefully examined into the condition of the educational institutions and work which has been referred to it. We call attention of the administrative officers of our Colleges to the disciplinary requirement that they shall report fully upon all matters, financial and otherwise, to the Annual Conference Board of Education. In this connection we wish to commend the trustees of Athens College for the very full and detailed reports which they have annually presented.

We have been very much concerned as to the best means of looking after the spiritual interests of the students in our state schools, and re-

spectfully request the Board, to be elected at this time, to look carefully into this matter.

We have had before us a communication from the Educational Commission, which was appointed by direction of the last General Conference, and we note with pleasure the initial success of the Theological School which the commission has organized at Atlanta.

Birmingham College.

The Birmingham College is in the best condition of its history, and is doing approved work in every particular, notwithstanding its financial limitations.

The campaign for endowment and building is still making progress, \$19,000 having been added to the subscription list during the year, bringing the total subscription to more than \$180,000. The collections, however, have not been as large as last year, and we appeal to our people that as far as possible they meet their subscriptions promptly. It is imperative that building operations begin at an early date, and we believe that the failure to begin is largely responsible for the failure of the people to pay. Business men are not willing to tie up money in the banks, awaiting the completion of a large sum before the money is used.

During the year, at the request of the Trustees and Financial Agent, the Presiding Elders interested, where changes are necessary because of Agent. We request the Bishop to give the prestige of his appointment to these same men, where possible, and to others, upon the nomination of the Presiding Elders interested, where changes are necessary because of changes in the pastoral appointments.

Athens College.

The building improvements made during the year have made this institution capable of doing to better advantage the good work it has been doing for the last decade. The Trustees have made all the improvements which shall be used in establishing a chair of Religious Education, in line with the vouchers for the money expended, which have been duly audited and found correct.

We ask the adoption of the following :

"Whereas, the Athens Female College has for a considerable time been recognized as a standard college of A grade, under the system of classification heretofore employed by our General Board of Education, and

"Whereas, we recognize that to insure perpetuity and maintenance of this classification the College must have an increased income through endowment.

"Resolved, that the North Alabama Conference co-operate with the Trustees of Athens College in securing \$100,000 endowment, \$25,000 of which shall be used in establishing a chair of Religious Education, in line with the educational policy enacted by our General Conference at its last session, which policy recommends that a permanently endowed chair of Religious Education be placed, where practicable, in each of the Colleges of our connection during the next quadrennium. Among other subjects this chair should offer courses in the Bible, Missions, Sunday school organization and methods, and Church history."

This does not propose any increased assessment, but simply that the Trustees and President of Athens College shall have the cordial support of the Conference in their efforts to secure the proposed endowment.

Woman's College.

The President of this College reports to us an increased patronage, that there has been in the College a very successful revival, that the health of the students has been exceptionally good, that the finances are in a satisfactory state, and that A grade work has been maintained.

Flat Rock High School.

This School, which is owned by the Flat Rock Mission, and is under the control of Trustees elected by the quarterly Conference of that charge, and which is conducted as a Methodist School, is recommended to the favorable consideration of our people; and also to our Board of Missions, and to the General Board of Education for the most liberal financial help they can give.

General Board	\$2,105.36
Birmingham College	7,895.26
Athens Female College	2,105.36
Woman's College	1,579.02

GEO. W. READ, Secretary.

EPWORTH LEAGUE BOARD.

We, your Epworth League Board, note with pleasure the progress the League has made during the year. We heartily commend the members of the League Council for their faithful service.

We request that Presiding Elders give a definite hour during the District Conferences to the League work, and to notify beforehand the Conference President that he may have present for that hour a special speaker for that occasion.

We recommend that pastors co-operate with the chapters in observing League Day.

We call attention to the fact that instead of the assessment of ten cents per member each chapter is expected to pay \$2.50 for chapter and urge that the assessment be made as early as convenient.

We rejoice in the steady improvement of the Epworth Era and recommend its wider circulation.

We endorse the plan of Miss Moore for the endowment of a chair of Religious Pedagogy in Athens College, and recommend the plan to the League Council of our Conference for its earnest consideration. It being understood through this agency special training in Epworth League methods shall be given.

REPORT OF DIRECTORS OF THE ALABAMA METHODIST ORPHANAGE.

We are happy to report general progress and advance in the work of the Orphanage at Selma. We have 87 children, 35 from Alabama and 52 from North Alabama Conference. The health of the children continues good, this making the third consecutive year without a death in the institution. The food is good, well prepared and neatly served. The herd of cows furnish milk and butter, generally enough for all. The crops have yielded better this year than before. The horses, cows and hogs are all in splendid condition. We have \$3,881.72 in the hands of the Treasurer. We sold the Summerfield property to J. M. Tate for \$2,150.00, he paying \$1,500.00 cash and securing balance by notes and mortgages. We used the cash in paying balance due on the forty-three acres purchased last year. We have paid five notes, \$750.00 each, and accrued interest to date of payment on debt due the Fidelity Mutual Life Insurance Company, which reduces amount due to \$6,750.00. The payments on the indebtedness except the \$1,500.00 from Summerfield properties were made from the donations by the participating Conferences, and from the rent of the Birmingham property. This property was sold for division by order of the Chancery Court on August 31st, 1914. By the kindness of Revs. J. C. Craig and L. C. Branscomb, backed by the generous willingness on the part of C. M. Howard of the Peoples Bank and Savings Company of Selma, Alabama, we were prepared to keep the property from being sacrificed. It was sold for \$53,200.00 which, less attorneys' fees and court costs, will net us for our half interest \$26,000.00. Under the order of the Court one-third was paid in cash, and the balance to be paid in two annual installments with 6 per cent. interest, and then invested under the direction of the Court.

We have in accordance with the expressed instructions of the two Conferences amended the Charter, as follows:

Section 1 of An Act To Incorporate "The Alabama Methodist Orphanage," by adding thereto these words:—

The terms of office of the Directors shall be five years, and at the next session of the North Alabama Conference held after this Amendment is filed in the office of the Secretary of State, the Conference shall elect five Directors, one of whom shall hold office for one year; one for two years, one for three years, one for four years and one

for five years, and annually thereafter as the term of office of these Directors expire, a successor shall be elected, who shall hold the office of Director for five years.

And at the next session of "The Alabama Conference," held after this Amendment is filed in the office of the Secretary of State, the Conference shall elect five Directors, one of whom shall hold office for one year, one for two years, one for three years, one for four years and one for five years, and annually thereafter, as the term of office of these Directors expire, a successor shall be elected who shall hold office for five years.

Whenever a vacancy in the office of Directors occurs, the Conference which had elected the Director who had vacated his office, shall at the next session held thereafter elect a successor who shall hold office for and during the unexpired term.

This Amendment was prepared by Hon. S. W. John and by his advice was legally certified and recorded by the Secretary of State at Montgomery and we herewith attach a certified copy for filing with the records of your Conference.

The children are showing highly beneficial results of attending the graded schools of the City. They have the Leagues and Sunday School in operation at the Orphanage.

The resident physician offered to give the children attention in sections or classes. The Veneit system will be used and they will hereafter be cared for with reference to the latest musical methods. The dentists of the city have also offered to divide the children into groups and each practitioner care for a proportionate number. These services were all tendered free and gratefully accepted by the Board of Directors, and will produce results of great benefit.

The Board, by resolution, congratulated Superintendent J. C. Craig and his estimable wife and assistants on the distinct progress in their management. We cannot speak too highly of their fidelity and efficient services, and we request the Presiding Bishop to reappoint Rev. J. C. Craig as Superintendent.

J. M. DANNELLY.

REPORT OF TEMPERANCE COMMITTEE.

We, your Committee on Temperance, beg leave to make the following report: Licensed liquor traffic in Alabama has proven a failure, a delusion and a snare. Those promising immunity from blind tigers have not made their promises good, for our courts and juries declare that there are more blind tigers now in wet territory than ever in the days of prohibition.

We recommend the work of the Anti-Saloon League and, especially, Dr. Brooks Lawrence for the faithful work he has done in Alabama.

We also recommend the appointment of Dr. J. A. Duncan and Dr. R. F. Lovelady as delegates from this Conference to the State Convention of the Anti-Saloon League, to be held in Montgomery in January, 1915.

We commend the W. C. T. U. in its earnest and aggressive fight against the liquor traffic.

We give our hearty endorsement to all officers who enforce prohibition laws like all other laws.

We recommend the re-election of Hon. J. W. Strother, Dadeville, Ala., and Hon. Mack Pearce of Hamilton, Ala., as trustees of the Anti-Saloon League.

We stand unequivocally for state-wide and nation-wide prohibition, and believe the day is not far off when all the nation will be dry, as contemplated in the Hobson amendment, four states recently having been added to the dry column since West Virginia and Virginia leaped into the prohibition ranks.

Whereas, some of our leading dailies are carrying liquor advertisements in their columns, which are a menace to our families and which are circulating in dry counties as well as in wet counties, therefore, be it resolved, that this Conference of near a hundred thousand Methodists request our next legislature to enact such laws as shall forbid newspapers carrying liquor advertisements being circulated in dry territory, unless they will get out a separate edition for all prohibition counties and so label it, as some dailies are now doing which have separate editions for certain communities.

And whereas, the columns of the Alabama Christian Advocate have been filled with unanswerable arguments for prohibition; and whereas, Dr. Glenn has been faithful in his efforts to make our state dry; therefore, we commend the unswerving fidelity of Editor Glenn and the Alabama Christian Advocate.

And whereas, the Birmingham Ledger and other papers refuse thousands of dollars every year for liquor advertisements,

Therefore, be it resolved, that this conference commends the course of these papers and recommends them for patronage and circulation.

(Signed)

L. F. WHITTEN, Chairman.

H. M. HURST, Secretary.

MEMOIRS

J. N. Dupree.

Rev. John Nelson Dupree was born in Houston county, Georgia, July 1, 1831, of pious parentage. The parents were poor and the family large, so that the children received but scant education. Brother Dupree joined the church at nine years of age. But not until he was thirteen was he consciously born again. His conversion was an experience vivid and overwhelming, the memory of which stood out through all the after years. So complete and unmistakable was his consecration to God that at the early age of seventeen he was appointed a class leader, and one year later he was licensed to exhort. His call to the ministry came with his conversion, but it was only after a long and hard struggle that he finally yielded to the Divine will, being licensed to preach at the age of twenty-one. His education being so limited, he began to apply himself diligently to study that he might become a worthy workman.

At the session of the Alabama Conference held in 1852 he was admitted on trial. In 1854 he was ordained deacon by Bishop J. O. Andrew, and his ordination as elder followed in 1856, Bishop G. F. Pierce presiding at that session of the Conference, which was held in Tuskegee. Brother Dupree was first appointed a junior preacher on a large circuit, but was given charge of the Gaston Circuit about three months later, where he remained through the year 1853. In 1854 he served the Pascagoula Circuit, and that year organized our church at Ocean Springs. In 1855 he traveled Hillabee Circuit, in 1856 Union Circuit, and in 1857 he served the Andrew Mission, which was a work projected in behalf of the negroes. Of his experience this year he said: "This was a pleasant and prosperous year." In 1858 he served Dadeville and Camp Hill, in 1859 Talladega Circuit, in 1860-62 Oxford and White Plains. Twice afterwards Brother Dupree was assigned to the Dadeville Circuit, once in 1865-66, and later in 1871. His active connection with the Conference ceased in 1872, when he was granted the supernumerary relation, passing over to the Honor Roll of the Conference in 1898.

In 1855 Brother Dupree was married to Miss Mary E. Lockhart. Reared in a home of culture and piety, beautiful of face and noble of soul, this young woman gave herself to the work of God and the church as truly as did her husband. Many were the hours of loneliness, many the sacrifices and struggles, but God wonderfully kept her through it all and spared her strength to minister to the faithful warrior when the shock of years and battles had spent his strength and blindness had dimmed his eyes. Seven children were born to them, three of whom preceded him to heaven. Of their descendants, one son and two grandsons are doing effective work as ministers in the West. The meager support given to our preachers in these earlier times and the demands of his rapidly increasing family caused Brother Dupree, after consultation and agreement with his presiding elder, to ask for the supernumerary relation. But he was busy in the Master's cause all these years. No call to visit the sick or bury the dead or comfort the bereaved was unheeded—and the calls were many. He gladly left his work to fill preaching appointments at considerable sacrifice. He also contributed liberally of his means to the support of the church, his regret always being that he was not able to give more. He was never idle. He loved to work, and whatever he did

was done with all his might.

Brother Dupree belonged to the pioneer days of Methodism in Alabama. He lived in the saddle and sometimes picketed his horse and slept beneath the open sky. He never thought lightly of his mission. He realized that he was an ambassador of Jesus Christ, and as such he warned, reproved and invited men with apostolic fervor. He gloried in a revival, and few men indeed have been more effective in bringing men to repentance and faith. In the years of his enforced retirement from the active work, when he was toiling hard for his daily bread, he never lost interest in the work of the kingdom, nor did he forget to love and pray for his brethren on the firing line. He never became sour. The religion which he had so faithfully preached to others kept him sweet and cheerful to the end of the way. On one occasion he said to the writer: "I am a back number; but I thank God that the Church has so many better men to take my place." During the closing years of his life he was totally blind. But he bore the darkness of those days of declining strength with a beautiful Christian fortitude and patience. On the morning of the 17th of January, 1914, the heavenly messenger came to bid him into the presence of the King. For weeks he had been longing for release. On the dull eyes broke the light of eternal morning, and the frail body went down into the earth to wake one day in the freshness and strength of immortal youth. Gone forever are the hours of pain and darkness, the long nights of weary restlessness. With those who have come up out of great tribulations, with those he loved long since and lost awhile, he has found the blessed rest and companionships of heaven. "Death is swallowed up in victory."

HENRY M. STEVENSON.

J. V. Emerson.

Rev. Jehu V. Emerson was born at Spartanburg, S. C., December 22nd, 1844. He came to Alabama with his parents in 1851.

He was married to Miss Margaret McGehee November 23, 1870. This union was blessed with four children, two of whom died in infancy, and two, with his widow, survive him, Rev. E. E. Emerson of the North Alabama Conference, and Mrs. G. F. Tidwell of Oneonta, Ala.

He was converted in early life and joined the M. E. Church, South. He labored for some years as agent of the American Bible Society. He was licensed to preach in the year 1891 at Coal City, Ala. He served as supply Fayette Circuit 1894, Gamble Mines Mission 1895, Heard's Sholes Mission 1896, Patton and Corona Mission the latter part of 1897, Fayette Circuit the latter part of 1898, and North Port Circuit 1899. In the fall of 1899 he was admitted on trial by the North Alabama Conference at Birmingham, Ala., and was appointed to Cleveland Circuit, which he served one year, and at the Annual Conference 1900 he was appointed to Cottondale Circuit, which he served for four years, 1901-1904; and was appointed to North Port Station November, 1904, which was the last charge he ever served. Having become afflicted with rheumatism he was given the superannuate relation at Athens, November, 1905. He went to Hot Springs, Ark., for treatment but without avail. He was perfectly resigned to his helpless condition and manifested the most cheerful spirit I ever saw until he became speechless a few days before he was called to his reward, February 22, 1914.

The facts above but draw a feeble outline of the events of his noble

and serviceable life. In everything save the heralding of his name far and near, he was a great man—great in thought, great in conduct, and greatest in feeling and sympathy. His life was not a pretense, but one which ascended the throne of being and reigned in the kingdom of character. He was a man of deep convictions which were born of thoughtful and painstaking investigation. The beautiful spirit which shone from his life was inspired by his abiding faith in God.

W. E. ALDRIDGE.

F. K. Hewlett.

Rev. Fernando K. Hewlett was born near Danville, in Morgan county, Alabama, December 30, 1846. His childhood and youth were spent in the same community. After attending school near his father's house in the earlier years, and doing his share of the farm work during the time, as a loyal son, when about seventeen years of age, he was sent to Danville to school. Here he made good progress under Capt. Freeman, who was the principal. I remember hearing him once say that his opportunity in this school was fine. But this high school drill ended his school days. However, his advance and preparation for life did not end at this early date. Long after this, he gained and broadened. He picked up as he moved forward, until he reached a competent young manhood. Sometime in his twentieth year he came to Trinity to live, and make his own way. Here he met Miss Mary A. Wright, whom he married November 27th, 1867. He remained in this community a few years only after his marriage, but long enough for another great event in one's life.

Sometime during the fall of the year 1868 he was converted at a meeting held in the Methodist church near Trinity, and was received into the church. The night of his conversion is well remembered by me. Being earnest in nature, while under deep conviction, he seemed entirely oblivious to all that was going on in the altar, and prayed aloud in his struggle, and just before relief came, he stood on his knees, and with uplifted hands, in conforming gesture, repeatedly exclaimed:

"Come nearer, come nearer!" It was the most solemn scene I ever saw. A feeling of awe pervaded the congregation. After about ten minutes of this intense agony, the lull of peace came to him. Though often together, no reference was ever made to this by either one of us. It was too sacred to mention. I have often thought that he actually had a view of Him whose pleasure it has always been to say, "Thy sins be forgiven thee," to those who repent.

In the early Seventies, he returned to his ancestral community, and engaged in farming. His membership was placed at McKendree on the Danville Circuit. After some years, realizing a call to preach, he was licensed at Danville, at a quarterly conference held some time during 1879, Brother Kirk being on the district.

And now we come to the preacher, a man of God, a man led by the Holy Ghost, a man of fine common sense, a strong character, a Bible student, a man who knew men, and one who loved the church. His life and ministry hereafter were to be values which make the world better. He was in deep sympathy with the local and conference and connectional movements of his day, and his contribution in judgment, and plan, and work will be bearing interest for many a day yet. His sturdy, dependable manhood was a quickening power wherever he lived.

He began his itinerant work by supplying the Mt. Hope Circuit in 1879. In the fall of 1880 he was received on trial in the North Alabama Conference, and served the Mt. Hope Circuit the following years (1880-1881). He was appointed next to the Oakland Circuit in the Florence district, where he remained three years (1881-1884). At the Conference held in the fall of 1884 he was appointed to the Somerville Circuit, which he served one year, 1884-1885. His next charge was the Town Creek Circuit, where he remained one year, 1885-1886. From this place he was removed to the Athens Circuit, which he served four years, 1886-1890. His next appointment was the Childersburg Circuit, which he served two years, 1890-1892. At the close of this year he was placed again on the Athens Circuit, where he remained four more years, 1892-1896. Having spent eight years on this charge, he was ready for a new field, which he found on the Millport Circuit, where he stayed one year, 1896-1897. He was then appointed to the Meridianville Circuit for the next two years, 1897-1899, but his health failing the summer of his second year, he had to desist from his loved employ, and let others close up the work for him. With no hope of permanent restoration to health, he was granted the superannuate relation. From the preceding account, it will be seen that his traveling ministry extended over twenty years. During this time he accomplished much for the Master. With diligence and perseverance he pursued his work. The minister of our day still has many difficult problems on hand. There are yet mountains to level down, and valleys to fill. Our brother took hold of his work with a brave heart. He did his part in banishing strange doctrines, righting up false views of the church, and towing moral derelicts into the safe harbor of salvation.

His superannuated life covered a period of more than fourteen years. During this time he lived in different places in Alabama and Tennessee. At the time of his death he was living at Deposit, Madison county, Alabama.

With the limited income of the circuit preacher of his generation, he reared and educated five children—three sons and two daughters—all of whom, and their mother, survive him.

Truly our brother lived to a great purpose. His life was a fine, well spent life. All his sympathies were with the more advanced movements of his time, in both the church and out of it. Though his life did not extend to the three score and ten limit, he accomplished a full length amount of toil.

On the 10th day of March, in his own home, surrounded by his family and friends, he passed to the rest promised those who die in the faith of the Son of God. He came to his translation with undiminished mental power, and an untarnished Christian character. He was buried in Huntsville, Ala., on March 11th, 1914.

M. N. MORRIS.

W. A. Kennamer.

Rev. Wm. A. Kennamer was born in Madison county, Alabama, October, 11, 1857. When he was twenty-eight years old he professed religion and joined the Cumberland Presbyterian church. Two years later he yielded to the call of God to preach the gospel. September, 1890, he was ordained a pastor in that church by the Presbytery, convened at New Market, Madison county, Alabama. For sixteen years he served the Master as a preacher in the Cumberland Presbyterian church. In

November, 1906, he was received into the North Alabama Conference, Methodist Episcopal Church, South, said Conference convening in Gadsden, Ala.

Brother Kennamer served the following charges: North Circuit, 1907; Langston, Miss., 1908; Stevenson Circuit, 1909; Margerum-Allsboro, 1910-'13; East Florence, 1914, where, on April 19th, he was called to

Those who knew Brother Kennema well, knew him to be a brave and fearless preacher of righteousness. He did not compromise with sin. His words were not susceptible of a double meaning. Those who heard him preach did not go away wondering what he meant.

He was a true and good man. In every place where he was sent to minister, he was true to all the trusts committed to his care. He held up the standards of Christianity as high as anyone ever did. Men believed in him. They stood by him. They were willing to follow him because they believed that he was right.

He was high and holy in thought. He never engaged in any conversation which was not lofty. He preached upon this high plane. He lived the life of a Christian. He was not afraid of the results of such a life.

His humility was simply beautiful. He realized his limitations. He never exalted himself. He was not puffed up. He did not think of himself more highly than he ought to think.

He had expressed himself just a short time before he passed, as being anxious to die "in the harness." On the night of April 19th, 1914, just after he had announced his text he fell at his post of duty, and was dead when his friends got to him. Here, from the sacred stand, his pure spirit left this world for the "home of the soul."

GEO. E. BOYD.

J. T. Wilkins.

On the morning of February 9, 1914, when John T. Wilkins was suddenly transferred from the Church Militant to the Church Triumphant, his reward in heaven.

there passed from our midst one of the most faithful ministers, one of the most heroic spirits, the North Alabama Conference ever had. For thirty-one years he went up to the conference, received his appointment (which was usually a hard one) and with the brave heart of a true soldier went out to battle with poverty, suffering, and sin. No stronger evidence of the consecration of this good man could be found than the fact that without hope of leadership among his brethren, without the stimulus of large successes in his ministry, he gladly went to the hardest fields, did his best, and left the result with God.

He was born of good old South Carolina parentage at Alexandria, Ala., July 16th, 1849. His family were staunch members of the Baptist church, but when at twelve years of age he was converted at Alexandria Camp Ground, and joined the Methodist Church. Fourteen years later, at Morrisville, on the Alexandria Circuit, he was licensed to preach. He served for one year as local preacher, and in the fall of 1875 he joined the North Alabama Conference. The next three years he served the Chandler Springs, and New Castle charges.

Financial responsibilities were thrust upon him and he felt it was his duty to locate. For six years he was engaged in the mercantile busi-

ness at Alexandria, but even during these years he preached regularly three times a month, and spent much of his time in evangelistic work. In 1885, at Gadsden, he was readmitted and served continuously in the North Alabama Conference until ill health compelled him to superannuate at the close of 1913. Hundreds loved and honored him, while scores looked upon him as their spiritual father in the following charges which he served: New Market, Jasper Circuit, Piedmont Circuit, Munford Circuit, Five Points, Rockford, Wilsonville, Ashville, Ohatchie, Steeles, Falkville, Alexandria, Sylacauga Miss. and Berry. During all these years his average salary was less than three hundred dollars per year.

In 1877 he was married to Miss Sallie Powers of Alexandria. They reared a family of seven children, who are a credit to any home. The recital of these bare facts, disclosing as they do in addition to the burdens of his pastorate, a life of constant struggle and hardship, to provide for his loved ones, is enough to give John Wilkins a prominent place in the ranks of the unknown heroes of God's Itinerant Host.

As this simple, unassuming man walked among his fellows, few realized the burdens he carried, the privations he endured, the crosses he bore, the heroic life he lived; but there was one who knew, and on the morning of February 9th, 1914, God said it is enough, and without warning and without pain, his pure spirit went to its reward. After superannuation he came to Talladega to live with his son. He was at church in his usual health on Sunday morning; many will long remember his prayer so full of assurance, and Divine Power, at the close of the service. On Monday morning about 11 o'clock he walked out in the yard at his son's home, and in a few minutes his little grandchild discovered his lifeless body.

Thus ended a pure, consecrated, heroic life. He lived for love, no thought of fame or fashion. Ever moved his hand in aid of one in need, naught but his low-bending sweet compassion, prompted the tender and uplifting deed.

Unknown was he, yet glad his simple living,
No fears assailed him, never sin made sad;
And when he died like strains of music ceasing,
His absence caused a void in many a heart.

CONSTITUTION.

ARTICLE I.

The name of this organization shall be THE BROTHERHOOD OF THE NORTH ALABAMA CONFERENCE.

ARTICLE II.

The object of the Brotherhood shall be to aid superannuate preachers, who are members, and the heirs of deceased members.

ARTICLE III.

Section 1. The officers of the Brotherhood shall consist of a President, Vice-President, Secretary-Treasurer, Auditing Committee, and a Committee on Revision, who shall be elected by ballot every four years.

The President, Vice-President and Secretary-Treasurer shall constitute a Board of Directors for the Brotherhood.

Sec. 2. The President shall preside at all the meetings of the Brotherhood, and perform all other duties required of such office.

Sec. 3. The Vice-President shall perform all the duties of the President in the absence of the President.

Sec. 4. The Secretary-Treasurer shall keep a record of all the proceedings of the Brotherhood, give notice of the death of members, receive and receipt for all dues and assessments, and disburse them as received as hereinafter provided; he shall remit to the beneficiaries the amount received for them within thirty days after receipt of same, and render a full exhibit of the business of his office at each annual meeting.

In case of the removal or death of the Secretary-Treasurer, the President shall perform the duties of this office till the next annual meeting, when a successor shall be elected.

Sec. 5. The Auditing Committee shall audit annually the books and accounts of the Brotherhood.

Sec. 6. All proposed amendments to the Constitution of the Brotherhood shall be referred to the Committee on Revisions, said Committee to report same to the next meeting of the Brotherhood.

ARTICLE IV.

The officers shall not receive any compensation for their services, but the actual expenses of the Brotherhood, together with the annual dues and assessments of the Secretary-Treasurer shall be paid out of the Reserve Fund.

ARTICLE V.

Section 1. Every effective member of the North Alabama Conference, under fifty years of age, shall be eligible to membership; and effective members of other Conferences of the M. E. Church, South, under forty-five years of age, may be received on the same conditions.

Sec. 2. Any person, or persons, other than itinerant ministers, may become non-participating members of this Brotherhood, without initiation fees or annual dues, but such member shall pay one dollar on each claim.

Sec. 3. Participating members shall not be received except by a majority vote of the annual meetings.

ARTICLE VI.

Section 1. The annual dues of each participating member shall be one dollar. This shall be held as a Reserve Fund to be used, by order of the Brotherhood, to meet any emergency that may arise, as provided in Section 5 of this Article.

Sec. 2. The mortuary assessment shall be five dollars for each participating member, payable to the Secretary-Treasurer on or before the annual meeting, after the death of a member.

Sec. 3. One who has been for eight consecutive years a member of this Brotherhood, and for eight consecutive years in the traveling connection, may be, after superannuation, with one year's notice, entitled to a Superannuate Claim equal to three dollars per member in good standing in the Brotherhood; said claim to be a full and final settlement with such superannuate, whose membership in the Brotherhood shall by such settlement terminate; provided, if the superannuate so elect, he shall continue without settlement in full and active membership as before superannuation.

Sec. 4. Not more than two mortuary assessments and one superannuate assessment may be made in the same year; provided, if there be but one mortuary assessment, then in that case the Board of Directors may levy two superannuate assessments for such year; and, provided, if there be no mortuary assessment in any year, then the Board of Directors may levy three superannuate assessments for such year.

Sec. 5. The assessments for any one year shall in no case exceed fourteen dollars. When the claims for any one year may exceed the limit of assessment, the Reserve Fund shall be drawn upon, even to the exhaustion thereof to meet a deficit. Should there still be a shortage, it shall be carried forward to the next year, and an assessment made to cover it; and so on, from time to time, until each claimant receives the amount due on his claim, as provided for in Sections 2 and 3 of this Article VI.

Provided, that no superannuate assessment shall be levied, until all mortuary claims have been paid in full.

ARTICLE VII.

The meetings of the Brotherhood shall be held annually during the sessions of the Annual Conference.

ARTICLE VIII.

This Constitution shall take the place of any former one, and of all amendments thereto contrary to this; and it shall not be changed except by a two-thirds majority of the members present and voting.
